What does our arrival and departure look like?

Your group should plan to arrive at Bison Ranch Camp on Friday evening for training on what to expect throughout the weekend. The campers will arrive in time for a s'mores campfire. On Sunday afternoon, the campers will leave camp around 12:30 pm, after which we will have a quick debrief meeting and then you're on your way!

What activities will we participate in?

At camp you will help your buddy with activities like basketball, soccer, fishing, games, and maybe swimming (weather permitting). We also have campfires on Friday and Saturday evening.

Is food provided throughout the weekend?

All food for the weekend is catered by Bison Ranch. Dietary restrictions such as a gluten and/or casein free diet are accommodated for. Should someone in your group have these restrictions, please contact Gary Filson so he can pass the information to our weekend staff.

Where will we sleep during the weekend?

At Jill's House Weekend Adventures – Valley of the Sun, your group sleeps in small, shared bunk rooms, separate from the campers and staff. The bathrooms are located in the same building as the bedrooms, and are just outside in the hallway!
