What does our arrival and departure look like?

Your group should plan to arrive at SonRise Camp no later than 5:00 pm on Friday for training on what to expect throughout the weekend. The children will arrive in time for dinner and a campfire. On Sunday afternoon, the children will leave camp around 12:30 pm, after which we will have a quick debrief meeting and then you are free to go!

What activities will we participate in?

At camp you will help your buddy with activities like archery, canoeing, zip line and swimming (during summer months). We also have campfires on Friday and Saturday evening.

Is food provided throughout the weekend?

All meals for the weekend are catered. Dietary restrictions are accommodated for, such as gluten and/or casein free diets. Should someone in your group have these restrictions, please contact Gary Filson so he can pass the information to our weekend staff.

Where will we sleep during the weekend?

At Jill's House Weekend Adventures – White River, your group sleeps in small, shared bunk rooms, separate from the children and staff. The bathrooms are located in the same building as the bedrooms and are just outside in the hallway!
