

Celebrating special children.
Renewing their families.

"Just a quick note to thank everybody again for making [our daughter's] weekend so fun. She always has the best time, and that means that now when I have those weekends, I can relax and not worry that she is having fun. My husband and I went to a concert, and I slept more than I have in a long time. Most nights I'm up with [her] throughout the night, so sleep is a hot commodity. The fact that I can sleep for six hours straight is a huge deal. Thank you for giving me that gift."

-A Jill's House Mom

SUMMER CAMP FUN

School is out and summer has officially begun! Jill's House is bustling with activity as our summer camp programs have kicked off. We are excited to have 149 kids enrolled for our day camps at our Tyson's Corner location alone. Swimming, animal therapy, music therapy, arts and crafts are just a few things on the fun agenda this summer.

SUMMER WEEKEND ADVENTURES

Summertime fun for children with intellectual disabilities is happening all over the nation through our Weekend Adventures. Most recently, Jill's House hosted camps at both our Lake Arrowhead location in California and our Blue Ridge location in Virginia.

Campers and trained volunteer "buddies" spend the weekend creating great memories through tailored activities. Rock climbs, rope courses, hayrides, talent shows, and of course s'mores, give the kids a camping

RIDE FOR JILL'S HOUSE

We are always humbled and encouraged by the diversity of people who are compelled by the work of Jill's House. Our annual Ride for Jill's House is one of our most inspiring (and thrilling) examples of volunteers and friends coming together to support our families. On this past June 11th, 300 participants motorcycled 75 miles from Manassas through Middleburg and ending at Jill's House. \$101,000 was raised to support children with intellectual disabilities and their families.

A heartfelt thanks to Ride for Jill's House committee chair Joe Livingood and committee members: Mike Cauldwell, Bud Downey, Buzz Hefti, Jim Jensen, Harold "Pick" Pickering, Thomas Zedan for all your efforts! Ride on friends!
