

Celebrating special children.
Renewing their families.

"Thank you so much for a wonderful weekend of fun for [my son] and a weekend of rest for me and my husband. Thank you so much for working with us to ensure that [he] had age-appropriate expectations, activities and behavior while at Jill's House. His weekends there are a wonderful opportunity for him to exercise some independence."

SO LONG, SUMMER!

We have been so busy having a good time this summer at Jill's House that we didn't notice the time fly by! It's hard to believe this week marks our last summer camp for the year. While we are sad to say goodbye to all the summer fun, we are excited to kick off our after school program this September 13th.
